

FLAT GLASS INDUSTRIES
SUPERIOR GLASS SOLUTIONS

1. Warranty Period and Details

Subject to the provisions of this Warranty, FGI warrants that the Product, for a period of **2 years** from the date of manufacture:

- Will conform with the relevant quality, thickness and dimensional requirements of AS2208:1996.
- Will not suffer peeling or cracking of the coating under normal conditions and usage.
- When supplied in laminated form, will not suffer from edge separation or de-lamination other than that which occurs within 12mm of the edge.
- Will remain free from visual or visible defects, faults and inclusions which can be clearly seen from a distance of 3m away and which are not within the limits as laid out in AS/NZS 4667:2000.

2. Warranty Coverage

This Warranty is to be read in conjunction with the FGI “Terms and Conditions of Sale” currently in force.

This Warranty which only provides for free replacement of the Product or refund of the original invoice value, accepts no liability for personal injury, loss, claims, property damage, or labour, material or other costs

(whether special or consequential or otherwise), howsoever caused or arising and whether direct or indirect.

3. Compliance to Standards

All Product conforms with the applicable sections of Australian Standard AS2208.

4. Conditions

The Warranty is further subject to the following conditions:

- a. That the Buyer acknowledges that the Product at the time of delivery was undamaged and free from any defects.
- b. That the Product is protected from contact with wet cement, hard foreign objects, metals and/or any materials, including fluids, likely to cause abrasive damage.
- c. Any adhesives, tapes or sealants used in the glazing or installation of the product are compatible with the applied backing paint. Contact FGI for further information
- d. The glass is glazed internally only.
- e. No further edge working, processing, cutting or processing is attempted or takes place. The warranty only applies to product which is the same size, shape and form as originally supplied by FGI.

Valleta™ Warranty

Flat Glass Industries Ltd (FGI) hereby provides the following Warranty in respect of its Valleta™ mirrored glass range in annealed, laminated, safety back or venetian stripe form. (“The Product”).

Valleta™ Warranty

- f. The cleaning of the Product is undertaken entirely in accordance with FGI recommendations as published by FGI in addition to any specific correspondence pertaining to the installation of the Product. Further, that the glass components are not damaged in any way either prior to or during the installation process.
- g. That the Product is not exposed to chemical fumes or gases other than those present in normal clear atmospheric air.
- h. The Product is installed in a manner which both precludes prolonged exposure to water or moisture at the edge and prevents exposure to any radiation other than normal sunlight. If the product is intended to be installed where it will be subjected to excessive moisture then it is imperative that all the edges of the panels are properly sealed prior to framing with an appropriate edge sealant, such as non-acetic, neutral cure silicone sealant.
- i. That the Product is not subject or likely to be subject to stresses from any cause in excess of the stresses advised as acceptable in FGI literature or in specific correspondence.

5. Reporting and Verification of Product Failure

- a. FGI has the right to satisfactorily determine that the Product deterioration or failure is in accordance with the above Warranty and that all of those conditions have been met.
- b. In the case of failure it is a requirement that the failure is immediately reported to FGI to allow cause of failure to be inspected and determined. If FGI are not notified within seven days of the failure, the buyer waives all rights under the terms and conditions of the warranty (subject always to the full terms and conditions of this agreement).

6. Exclusions

- a. The Warranty specifically excludes any glass breakage from any cause other than faulty materials up to the specified design wind pressure as determined in accordance with Australian Standards AS1170 and AS1288, and specifically excludes any consequential liabilities following installation.
- b. Subject to limitations imposed by the Trade Practices Act, this Warranty is in substitution for and to the exclusion of

all other rights and remedies (if any) and FGI makes no Warranty on merchantability or that the Product is fit for any particular purpose or use.

7. Warranty of Replacement Product

Any replacement Product supplied pursuant to this Warranty shall be warranted only until the expiration of the Warranty period for the original Product.

8. Advice

Advice as to applications to which the Product can be put may be obtained from FGI representatives.
